TAILORED LAB SOLUTIONS

CBRE

Full Spectrum
Lab Services

Full Spectrum Lab Services delivers a wide range of laboratory services across multiple industry sectors and property types. Services are provided both to laboratories and to landlords with lab occupiers.

Increased Lab Efficiency and Mitigated Risk:

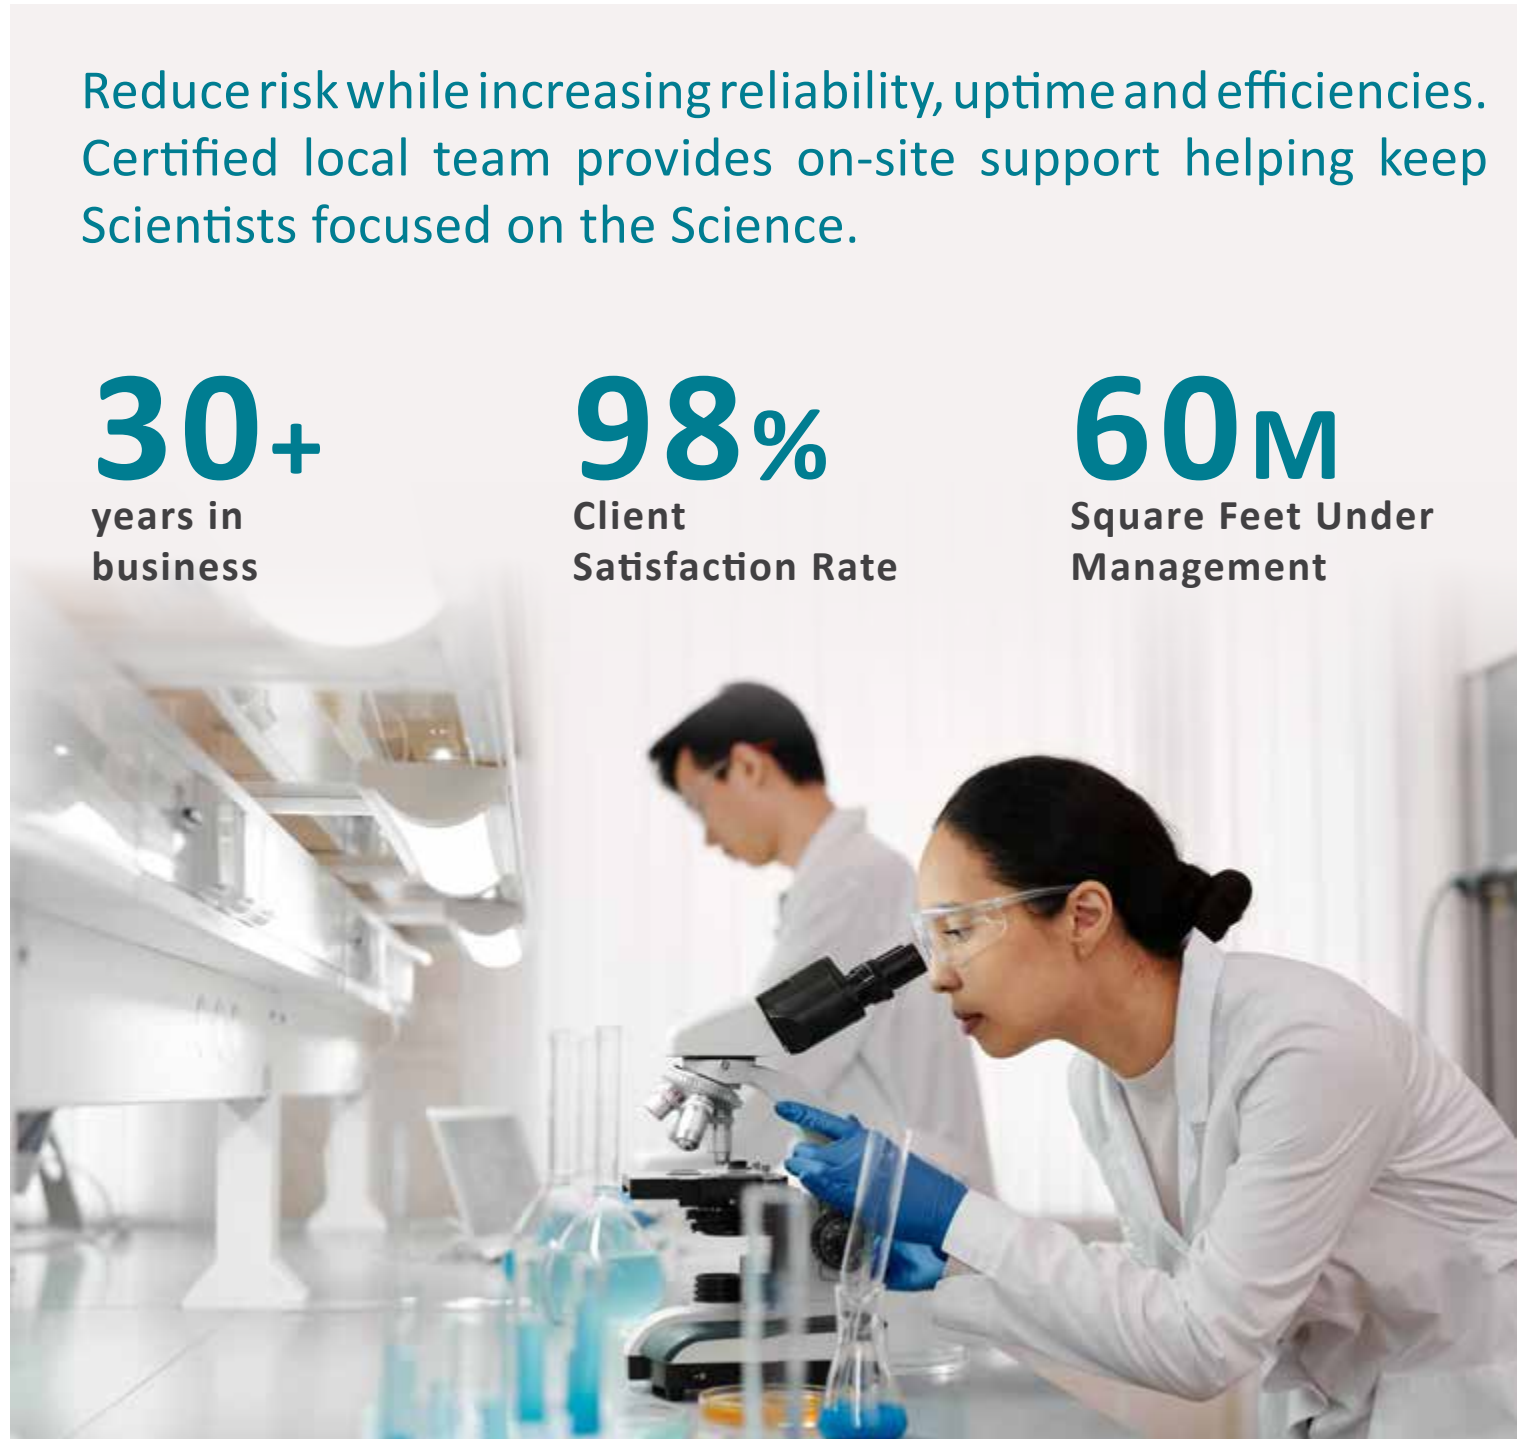

- Seamlessly coordinate with vendors & property management
- Ensure best practices for safety and chemical storage
- Cut time for service, make time for science
- Reduce equipment operating costs
- Maximize uptime for people and equipment

Reduce risk while increasing reliability, uptime and efficiencies. Certified local team provides on-site support helping keep Scientists focused on the Science.
